MR#: _____

Informed Consent for Operative / Invasive Procedure CP2.10

Date _____ Time _____

I, the undersigned, consent to the following operation(s) and / or procedure(s); CT- and/or ultrasound-guided percutaneous needle biopsy

to be performed by Dr. _____ and his / her associates and assistants (including resident physicians), with knowledge that the attending physician will have primary responsibility for my care specific to the stated procedure. Dr. _____ has explained to me the nature and purpose of each operation(s) and / or procedure(s) as well as the substantial risks and possible complications involved, the benefits and the medically reasonable alternative methods of treatment.

The **SUBSTANTIAL RISKS** include but are not limited to: (check if applicable and add additional risks as indicated):

- perforation and / or injury to adjacent blood vessels, nerves and / or organs
- bleeding
- infection

allergic reaction to local anesthetic ("numbing medication") and/or antiseptic/antibacterial solution; allergic reaction to contrast medium; pneumothorax (collapsed lung) – requiring possible chest tube placement; emergent surgery; death

The **POTENTIAL BENEFIT(S)** include but are not limited to: determination of tissue type/pathology and/or causative organism

The **MEDICALLY REASONABLE ALTERNATIVE(S)** options are: surgery; observation

- I understand and consent to Shands' disposing of any tissue, parts or organs that are removed during the operation(s) and / or procedure(s), in accordance with its usual practice.
- I understand that the information I have received, about risks is not exhaustive and there may be other, more remote risks.
- I have had the opportunity to ask questions regarding the proposed procedure(s) and all my questions have been answered to my satisfaction.
- I have read or have had read to me, this Operative / Invasive Procedure Informed Consent form.
- I have had explained to me, and I understand the potential benefits and drawbacks, potential problems related to recuperation, the likelihood of success, the possible results of non-treatment, and any medically reasonable alternatives.
- I have received no guarantees from anyone regarding the results that may be obtained.
- I know the relationship, if any, of my physician or other practitioner, to any teaching facility involved in my care.

My initials below indicate whether or not I consent to additional operations and / or procedures as are considered diagnostically or therapeutically necessary.

_____ I consent OR
_____ I do not consent

to additional operations and / or procedures as are considered diagnostically or therapeutically necessary on the basis of findings during the course of the operation(s) and / or procedure(s) described above and I accept the risks that may be associated with such additional operation(s) and / or procedure(s).

My initials below indicate whether observers may be present during my procedure, in accordance with my physicians' approval and hospital policy.

_____ I give permission to allow observers in the room during my procedure.
_____ I do not give permission to allow observers in the room during my procedure.

CONSENT

I do hereby consent to the above described operation(s) and / or procedure(s).
